Information Systems

April 28, 1997

On behalf of the Creighton University Jesuits, faculty, administrators, staff and students, we welcome you to Omaha, NE and Creighton University.

As your host institution, we have planned an excellent meeting with lots of opportunities for your participation and input. We are confident that the meeting will supply you with up-to-date information that you can adapt to your institution when you return home. In addition, we have planned some meal events that we think you will find to your personal liking.

Enjoy your visit to Omaha and to Creighton University. We believe that we have the Degree of Difference.

Sincerely,

Leon "Benny" Benschoter
Vice President (retired)
