SAINT JOSEPH'S UNIVERSITY

SPIRIT ♦ INTELLECT ♦ PURPOSE

Founded in Philadelphia by the Society of Jesus in 1851, Saint Joseph's University is home to 3,500 full-time undergraduates and 3,000 graduate, executive and non-traditional students.

One of just 142 schools nationwide with a Phi Beta Kappa chapter and AACSB business school accreditation, Saint Joseph's challenges its students to exceed their highest ambitions, fosters the mature development of values and deepens a desire to help shape the world.

The Jesuit tradition of *cura personalis* — care for the entire person — is reflected in the university's rigorous academic experience; energetic, compassionate and spiritual campus; and focus on the common good.
