Ethics Moment: Satire, sanity and Stephen Colbert
January 26, 2012

The 2012 Republican presidential primaries witnessed the return of yet another 2008 contender: Stephen Colbert.

The Comedy Central host made a tardy (and satirical) entrance to the race in South Carolina earlier this month, thanks, in part, to the support of his colleague Jon Stewart.

Together, the two used Colbert's candidacy - and their loyal fan base - to draw attention to the power and role so-called Super PACs play in American politics today.

But why are comedians like Stephen Colbert and Jon Stewart so popular? Al Gini shares his thoughts: (http://www.wbez.org/blog/city-room-blog/2012-01-17/ethics-moment-satire-sanity-and-laughter-95601#)
